

Recycling Drop-Off Program

Recycling Right - In 3 Easy Steps

1. When in doubt...THROW IT OUT!

Make sure that all items are on the Ashland County Drop-Off Recycling Program approved list of accepted recyclables. If the item is not on the list or if you are unsure, place it directly into the trash.

2. Recyclables must be clean and dry

Food and liquid are contaminants. No dirty jars or bottles with water still in them. Cardboard must also be clean and dry. Greasy pizza boxes are not recyclable.

3. No need to sort or bag your items

Place your approved recyclables together in the recycle containers provided in Ashland County. Items should be loose and unbagged. Plastic bags and unacceptable plastics are one of the largest contaminants in our program.
