

Scrap Tire Voucher Program

Who: Ashland County Residents Only
(proof of residency and how tires were generated are required)
This program is for residential generated tires only, **No** businesses, farms, government, schools or other Institution generated tires allowed.
Refusal to issue a voucher is reserved for non-conformance with program rules.

What: Passenger, light truck, ATV, and motorcycle tires, clean and off the rim. Ten (10) tire limit per issued voucher. Additional voucher can be obtained after previous voucher is used.

How: Obtain voucher from one of the locations listed below. The issued voucher will provide information on where to deliver the tires to one of our approved tire dealers.

How Much: No cost for acceptable tires
