

Ashland County Recycling Drop-Off Program (Flyer #4)

(Does Not Affect the City of Ashland
Curbside Recycling Program)

Recycle Right in 3 Easy Steps

1. When in Doubt...THROW IT OUT!

Make sure that all items that you want to recycle are on the Ashland County Recycling Drop-Off Program approved list of accepted recyclables which is available on our web site using the following link: www.ashlandcountyoh.us/upload/recycling_drop-off_detailed_materials_list.pdf. If the item you want to recycle is not in the "Yes" column or if you are unsure, place it directly into the trash. Help keep our program sustainable by only recycling acceptable materials.

2. Recyclables Must be Clean and Dry

Food and liquid are contaminants. No dirty jars or bottles with water, food or product still in them. Cardboard must also be clean and dry. Greasy pizza boxes are not recyclable.

3. No Need to Sort or Bag your Items

Place your approved recyclables together in the recycle containers provided in Ashland County (map on back). Items should be loose and unbagged. Use an old cardboard box or laundry basket to bring your acceptable, clean and dry recyclables to the sites and just empty into our recycle containers. Reuse the box/basket for your next trip.
