

## Residential/Commercial Recyclables from Broker/Processor/Material Recovery Facilities 2023 Recycling Survey

This recycling survey is being conducted by the Ashland County Solid Waste District to identify the type and amount of solid waste materials recycled from Ashland County during 2023 for the residential and commercial sectors only. The District will use this information for summary purposes only; no company's survey response will be reported individually. Your response to this survey will help measure Ashland County's progress toward state-mandated recycling goals and help us provide programs that meet local needs.

PLEASE RETURN COMPLETED SURVEY BY **MARCH 22, 2024** TO:

Email: [jskora@ashlandcounty.org](mailto:jskora@ashlandcounty.org)

If you have any questions or need assistance completing the survey,  
contact the Jim Skora, District Coordinator, at (419) 282-4338 or the email above.
