

# *Recycling Drop-Off Program*

## **Recycling Right - In 3 Easy Steps**

### **1 When in doubt...THROW IT OUT!**

Make sure that all items are on the Ashland County Recycling approved list of accepted recyclables. If the item is not on the list or if you are unsure, place it directly into the trash.

### **2 Recyclables must be clean and dry.**

Food and liquid are contaminants. No dirty jars or bottles with water still in them. Cardboard must also be clean and dry. Greasy pizza boxes are not recyclable.

### **3 No need to sort or bag your items.**

Place your approved recyclables in recycle dumpsters provided in Ashland County together. Items should be loose and unbagged. Plastic bags are one of the largest contaminants in our program.
