

Every day is Earth Day.
Every day is a day to care.

1

Every day is a day
to protect our land,

2

protect our water,

3

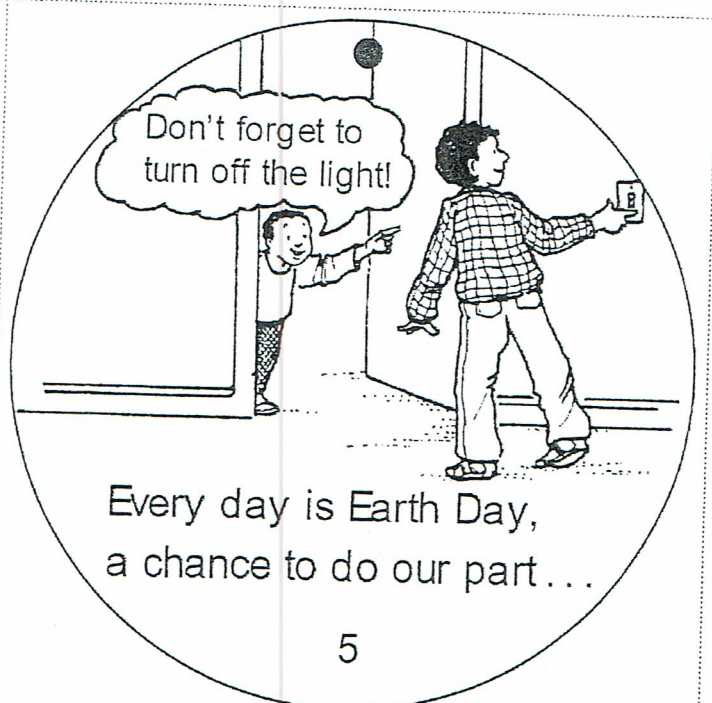

Let's walk to the store instead of driving.

Save our Planet

and protect our air.

4

Don't forget to turn off the light!

Every day is Earth Day, a chance to do our part...

5

... to make our planet cleaner and greener. And today is the day to start!
